

Your Trusted Steel Sheet Pile Supplier
Luzon • Visayas • Mindanao

Who We Are

Certuso Structural Specialists Corporation is the Philippines' trusted provider of steel sheet pile solutions. We are the leading distributor of MHZ sheet piles in the country and an established provider of hot-rolled steel sheet pile products for nearly a decade.

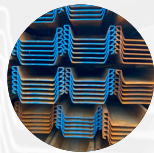

Our solutions include Hot-Rolled Z-Type (MHZ) and Hot-Rolled U-Type (Type 2, 3, 4) sheet piles, hat-type sheet piles, steel pipes, and connectors. We work closely with our clients to match our sheet pile products with their project needs.

Founded in 2015 and headquartered in Davao City, Certuso has offices in Metro Manila and Cebu, as well as warehouses in Bulacan, Cebu, and Davao in order to cater to regional requirements effectively.
